Our graduating class of 2020 is facing a time like no other, with proms, commencements, and parties curtailed. They deserve our congratulations and best wishes. And DADS - well, they're our dads, aren't they? Whether they're with us, or enjoying their eternal reward, we owe them a big Thank You! Finally, June is special as well for the return of public Masses to our Parish...a very big cause for celebration. Please make sure you study your Parish letter carefully and follow the guidelines presented in it so we can all stay safe!</p>
